

PERFORMING MEMBER DIRECTOR APPLICATION

AYS musicians in good standing who are committed to the continued success of AYS are invited to apply for a performing member seat on the board of the directors. The board looks to the performing member director to represent interests of AYS musicians by regularly attending board meetings to help set policy, plan fundraising and organize events like tours and the annual retreat. Previous leadership experience in student government or other groups and committees is helpful but not necessary. To be considered, please complete this application and return it to the address shown below.

Our Bylaws state: "Performing Member Directors shall be elected by the Board of Directors and shall serve a one-year term. A Performing Member may serve more than one term as a Performing Member Director. A Performing Member shall submit an application to the Board on a form provided by the Secretary. Review of applications will be conducted at the first regular Board Meeting after the Annual Meeting, with the election held at any meeting where a quorum of the Board of Directors is present."
