

Anchorage Youth Symphony
Repertory Orchestra
School Participation Form
2010-2011

Dear Music Teacher or Administrator:

This musician is currently participating in the Anchorage Youth Symphony Repertory Orchestra. AYS RO policy requires that students who participate in our orchestra also participate in their school's music program. AYS is a non-profit with a mission to build musicianship, inspire our youth to love music, offer enriching opportunities for music performance, and create a musical legacy that will sustain arts throughout the lives of our members and communities. Thank you for supporting us!
